

Premier Multimodal Logistics &
Freight Solutions
Across Iraq & Global Corridors

COMPANY PROFILE

Iconic

(Brand owned & operated by Aykonat Al Khalij)

20
26

Executive Summary:

Established in 2010, Iconic is a trusted logistics and transport brand in Iraq and the Kurdistan Region (KRI).

Operating under Aykonat Al Khalij to align seamlessly with Federal Iraq business regulations, Iconic connects international trade corridors across North America, Europe, Asia, and the Middle East to critical hubs in Iraq.

We deliver full-spectrum supply chain management, heavy-lift project cargo, and complex customs clearance for commercial enterprises, government contractors, and industrial leaders in oil and gas, energy, construction, and healthcare.

Core Services & Capabilities

Air Freight Solutions:

Fast-track cargo handling, charter flights, and door-to-door priority freight via Erbil International Airport (EBL), Baghdad International Airport (BGW), Sulaymaniyah (ISU), and Basra (BSR).

Land Freight & Heavy Transport:

Cross-border haulage and domestic trucking connecting Iraq to Turkey, Jordan, Europe, and the GCC. Features specialized Out-of-Gauge (OOG) heavy-lift transport, low-bed fleets, and temperature-controlled reefer vans.

Sea Freight & Project Cargo:

Full Container Load (FCL), Less than Container Load (LCL), break-bulk, and reefer shipping to all Iraqi sea ports and neighboring countries transit ports in Turkey, Jordan, and Syria.

Integrated Supply Chain & Warehousing:

3PL inventory management, secure warehousing, and final-mile distribution hubs strategically located in Erbil, Baghdad, and Basra, and newly established hub in UAE via our sister company.

Customs Clearance & Regulatory Compliance:

In-house brokerage executing ASYCUDA system declarations, tariff filings, and tax exemption management across all sea ports, air gateways, and all border crossings.

Strategic Reach & Network

Gateway Type	Strategic Locations & Facilities
Domestic Hubs	Operational offices and fleet depots in Erbil, Baghdad, and Basra.
Maritime Ports	All Iraqi ports.
Border Portals	All Iraqi land borders.
International Transit	Feeder and transit corridors via Turkey, Syria, and Jordan.
Global Expansion	Expanded global reach by opening a new entity in UAE, planning for additional new openings in the future.

Service Quality, QA/QC & Compliance

Customs Transparency:

Full alignment with Federal Iraq and KRI dual regulatory standards, utilizing automated ASYCUDA processing to eliminate border holds.

Safety & Escort Operations:

Certified route clearance, specialized surveys, and dedicated security/police escorts for oversized industrial equipment and oilfield logistics.

Cold Chain Assurance:

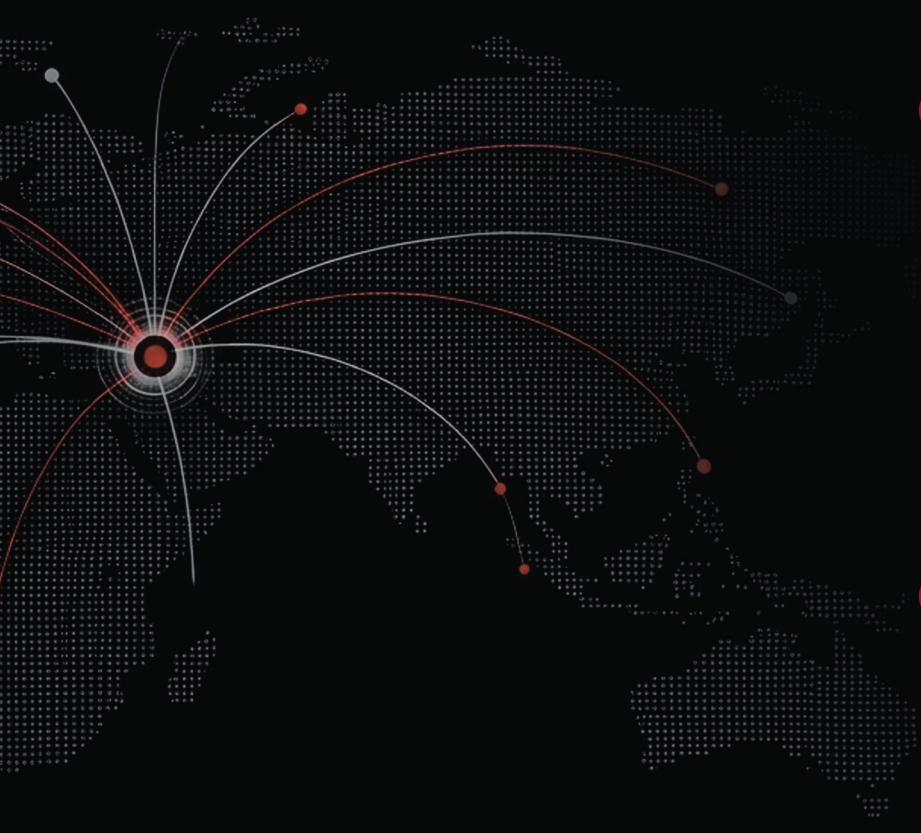

QA/QC-backed reefer fleet management with continuous real-time temperature tracking for pharmaceutical, medical, and food-grade cargo.

High-Volume Market Leadership:

Verified track record handling large-scale industrial movements, including market leadership in oil & gas, energy, manufacturing, medical, and international brand distributions.

Our History & Evolution

2010

Founded as Iconic Company, launching its first international heavy transport operations moving PPR piping from Lebanon to Iraq.

2010–2023:

Expanded operational footprints across Erbil, Baghdad, and Basra, building specialized project cargo units.

2024–2026:

Transitioned corporate ownership under Aykonat Al Khalij to meet updated Federal Iraq regulatory frameworks, maintaining the unified Iconic brand identity across all business lines.

Present:

A regional leader in the Middle East, steadily expanding the footprint and operational capacity.
